

The company manages 24 hubs and about 13,500 parking spaces in the Catalan capital

Saba strengthens its position in Barcelona with the management of Hospital Sanitas CIMA car park

- The infrastructure, which comprises 267 parking spaces spread over three floors, is located in the Sant Gervasi neighbourhood, near Avinguda Diagonal and Avinguda de Pedralbes. Saba has taken over the management of the car park under an initial five-year contract, extendable to 15 years.
- In total, Saba manages some 132,000 parking spaces in 197 car parks in Spain, Italy, Portugal, Chile, France and Andorra

Barcelona, September 18th, 2013

Saba Parkings, the car park division of the Saba Infraestructuras group, has been awarded the management contract for the Hospital Sanitas CIMA car park in Barcelona, located at number 29-33 Passeig de Manuel Girona. The company's new facility in the Catalan capital comprises 267 parking spaces spread over three floors, available to both the general public and subscribers. Saba will manage the infrastructure under a rental contract for a period of five years, extendable to up to 15.

Hospital Sanitas CIMA, located in Barcelona's Sarrià-Sant Gervasi district, has a team of 150 doctors in an 11,000 square meter building and includes a Casualty Department and Intensive Care Unit (ICU). The health care complex is situated in an area with very good transport links, close to Avinguda Diagonal and Avinguda de Pedralbes. It can also be accessed from the Ronda de Dalt ring road (Exit 9), along Avinguda de Josep Vicenç Foix.

With the addition of this new car park to the network of Saba Parkings, the company manages about 13,500 parking spaces in the Catalan capital, spread over 24 centers. Saba Parkings is Spain's leading operator and one of the largest in Europe. It is currently present in more than 80 cities in Spain, Italy, France, Portugal, Chile and Andorra. The company manages approximately 132,000 parking spaces in 197 car parks. Saba Parkings is part of Saba Infraestructuras, a leading company in car park management since 1966 and in logistics parks management since 1999.
